### **Capstone Health Alliance accepting applications for the 2021 Capstone Leadership Institute**

*Fletcher, North Carolina, November 3, 2020* – Capstone Health Alliance is now accepting applications for the 2021 Capstone Leadership Institute. The Capstone Leadership Institute is a program developed exclusively for Capstone members and is designed to provide leadership development training for supply chain professionals. There is no charge for Capstone members to participate.

To be considered for the class, applicants must be employed by a member of Capstone Health Alliance and meet program requirements. Program requirements include education and experience as well as completed courses in the Capstone Learning Academy. Applicants can nominate themselves and secure a recommendation letter to support their interest. Applications may also be accepted from leaders in the Capstone membership who recommend an individual within their facility that would benefit from participating in the Capstone Leadership Institute. A limited number of students will be accepted into the 2021 class. The deadline to apply for the 2021 class of the Capstone Leadership Institute is December 1<sup>st</sup>, 2020.

The Capstone Leadership Institute is an education platform built to empower and prepare future leaders in supply chain. Led by a council of Capstone Health Alliance members and the Capstone team, the Capstone Leadership Institute provides courses developed by Subject Matter Experts (SME's) that offer a deep dive into Supply Chain operations, coupled with course work in Hospital Operations, Professional Development and Leadership. Students attend regularly scheduled virtual classes, complete a mid-term and a final project. For more information on the application process, please contact Capstone's Senior Director of Human Resources and Member Services Kristin Scott at [kscott@capstonehealthalliance.com](mailto:kscott@capstonehealthalliance.com).

### **About Capstone Health Alliance**

Capstone Health Alliance is a group purchasing alliance of healthcare and non-healthcare members that delivers cost savings through the power of aggregation and collaboration. Based in Fletcher, North Carolina, Capstone's membership includes 300 Hospitals representing more than 140 Health Systems across 23 States and represents over \$10 billion in acute care supply chain spend. Beyond healthcare, Capstone also represents over 25,000 non-acute and business & industry members. Capstone delivers quantifiable savings and actionable data that enable better purchasing decisions for our members. In addition to cost savings initiatives, Capstone members collaborate to share best practices all with the intent of improving cost, quality, and outcomes.
