Capstone Health Alliance announces partnership with PayZen

Fletcher, North Carolina, June 14, 2021 – Capstone Health Alliance announces a new partnership with PayZen, a mission-driven FinTech company that uses data and Artificial Intelligence (AI) to create individualized patient payment plans that families can afford. The partnership will provide members of Capstone with access to the PayZen service that generates increased collections for the health system and offers 0% interest payment plans to patients.

Capstone Senior VP, Supplier Relations and Contract Operations Robin Lincoln said, “Capstone has been impressed with PayZen’s advanced use of AI to provide personalized payment options to patients. PayZen provides a world-class patient experience, treating patients with respect throughout the process, which we know is a key factor for our Capstone members. We are excited to partner with PayZen to offer this solution to our healthcare members.”

PayZen Co-Founder and CEO, Itzik Cohen, said, “PayZen is transforming the medical payment experience by making healthcare affordable to all patients. We’ve built an advanced FinTech platform that provides every patient with customized & convenient payment options. We’re excited to partner with a great brand like Capstone and offer its members access to PayZen and the value our technology generates.
